Re: *Healthcare Advanced Risk Technologies, Inc. et al. v. Mills et al.*
Case No.: 2:22-cv-04192-JS-AYS

Dear Judge Seybert:

On behalf of all the parties, we write to provide the Court with a joint status report. On January 20, 2023, the parties participated in a mediation session before the Hon. Steven M. Gold, U.S.M.J. (Ret.). The parties were unable to reach a resolution at the mediation session, and though they have continued negotiations, they have not resolved their disputes at this time.

It is Defendants' position that given the ongoing settlement discussions, the preliminary injunction hearing which is currently scheduled to begin on February 14, 2023 should be adjourned so that the parties may continue to focus on settlement. Plaintiffs disagree with Defendants' adjournment request, Defendants' actions are continuing to cause irreparable harm to the Plaintiffs, and Plaintiffs are prepared to proceed with the scheduled preliminary injunction hearing as currently scheduled before Your Honor because Plaintiffs believe the parties are not close to a resolution at this time and Plaintiffs do not want to delay the hearing. The parties are available at Your Honor's convenience to discuss this matter.

Respectfully,

Dominique J. Carroll
